Dear Mr Nicholas Bunn,

THE CONSERVATION OF HABITATS AND SPECIES REGULATIONS 2010 (AS AMENDED) AND WILDLIFE AND COUNTRYSIDE ACT 1981 (AS AMENDED)

Your application to register to use the Class licence:

WML-A34 - Level 2 (Class Licence) - To survey bats using artificial light, endoscopes, hand and hand-held static nets

has been successful.

Your registration number is **2016-25072-CLS-CLS**.

Please ensure that you have read and understand all of the conditions and notes applicable to the Class licence and that you comply with them at all times.

You can view the class licence at:

A frequently asked questions guide can be found at:

http://www.naturalengland.org.uk/Images/bat-class-survey-licensing-faq_tcm6-35044.pdf

It is important to note that an annual report is a requirement to remain registered to use this Class Licence each year, and you must submit your report to Customer Services by the date specified on the licence. This report date may be subject to change in future years, and we will publicise any changes in licence terms and conditions in advance on our website; we strongly advise you check any Class Survey Licence you are registered to use for any possible changes each year.

Please also ensure that you submit all the necessary returns information. Your first return is due on **31 March 2017**.

If you have any further questions please use the following link and read our Frequently Asked Questions on our Class Licensing web page.
